would learn by this time that no letters are published by any newspaper unless the name of the writer accompanies them.

We are now back in the quarters from which the first copy of the Messenger was issued nearly seven years ago. Subscribers who were with us then will notice that the paper is twice as large now, and without boasting, we might say nearly twice as good.

Maurice, the sixteen months old child of Mr. and Mrs. Phil Morton, died very suddenly at the home of his parents at Campbelltown last Monday evening. The cause of his death is unknown. Funeral services were conducted at the home Wednesday morning and the remains were taken to Pennsylvania for burial.

Mr. and Mrs. W. B. Sharp, of Bristol, Tenn., are visiting the latter's parents, Mr. and Mrs. B. M. Yeager, at this place. They will visit relatives in other parts of the county before their return. Brad has been considerably under the weather for some time past and we hope that his health may be restored by breathing his native atmosphere for awhile.

who are anxious to know whether the "Fats" did their own bare running we will say they did but it was a mighty dern poor exhibition of running.

A number of our local sportsmen, including Deputy Game Warden Paris D. Yeager, Pat Simmons and Editor Calvin W. Price, have been arrested by Frank Merrick, Deputy State Game Warden, of Huntington, on the charge of running deer with dogs. Their trial will come up before Squire Bird August 10th. The arrest was made upon complaint of Roncoverte hunters who claim to have been eye witnesses to the alleged violation of the law. Mr. Merrick made a thorough investigation of the charge and found no truth in it, but all the parties over whom the charge was resting insisted that the case come to trial. Last fall the alleged game law breakers got permission to post a certain piece of land near Beard and the Roncoverte parties who were hunting there at the time took this means to get even with them. We will wager our head that no persons in the state are more anxious to uphold the game laws than are the persons named.

The Union baseball team will be in this afternoon for a doubleheader game. The third game will be played tomorrow afternoon. The team has defeated some of the best teams in this end of the state this year and a good game can be looked for.

A. Kirkpatrick has severed his connection with the Marlinton and will go back to cooking a few days. We understand he has taken a position with the J. R. Lumber Co. at that time one of the most popular hotels in the state and the traveling public regret to see him give up hotel. He is succeeded by M. J. Keane, an experienced hotel man in Tennessee.

W. Payne and Miss Marker were married last Wednesday noon at the home of Mrs. J. Yeager, sister of the Rev. Wm. T. Price, D. D. The bride is a daughter of H. S. Rucker, of our county. The groom is well known to the people of this county. He is a rising business man of Academy.

S. Wallace, of the firm of S. Wallace & Wallace, surprised his friends here Wednesday by taking unto himself a new wife. The bride was Miss M. J. Keane of Monroe. The wedding was on October 8.

### Clawson.

Well Mr. Editor as our old correspondent from this place seems to have been asleep for some time I will endeavor to give you a few items for publication.

The ice cream festival at Clawson school house last Saturday night was well attended and resulted in a success.

The Clawson school is progressing nicely under the management of Prof. John S. Moore, whom we consider among the best teachers in the county.

Misses Denny and Lova Hogsett, of Millport, were visitors in this part last Saturday night.

Mrs. Martha J. Friel is on the sick list; Mrs. Alice Carr who has been sick for some time is slowly recovering.

The following preachers from this section attended the annual conference at Elkins last week: H. H. Sharp, B. N. Simmers, and John Perry. Rev. Hogsett preached two sermons, one at Fairview and the other at Clawson last Sunday, Rev. Underwood also preached at August Siding Sunday night; these men were on their way home from the annual conference.

Rev. D. T. Tharp, of Greenbrier, will preach at Pleasant Hill, Fairview and Clawson on next Sunday Sept. 1st.

A. E. Irvine was a visitor here Sunday and expects to start for Elkins the 27th on business.

L. Miller, of August, has a badly cut finger as a result of an accident while working on P. P.

week but failed to get any. Bears have killed possibly 200 head of sheep for the people of this section and they have also killed a few hogs. What we need is some good bear dogs. The ones we have never known so many bears. Unless they are killed it will be useless to try to keep sheep.

H. C. Sharp has been on the sick list for a few days but is now recovering.

L. D. Sharp, our successful merchant, is doing a good business.

The Sunday School at Slaty and Marys chapel are progressing nicely. We hope the people will be more interested in this great work.

### Remedy for Diarrhoea. Never Known to Fail.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of my friends in York county and have known it to fail to effect a cure in any instance. I feel that I can say too much for the best of the kind in the world. Jemison, Spring Grove, York County, Pa. This remedy is for sale by S. B. Wallace & Co."

Clawson school house last Sunday.  
His text was from I Cor. 13-13.

We are glad we say Brother Hogsett has announced his intention of preaching for us the rest of the year. We have not had any preaching here this year until now.

Sunday school will be organized at the Clawson school house next Sunday, May 5th. We hope everybody will come out and help to make the good work a success.

Harter Bros. sawmill has again resumed operation after its recent shut down.

Little Warwick Friel was plowing for F. M. Jackson this week. He is a very hard working boy and during the past few months has skidded logs for Higgins & Simmers and did as much work as some of the men.

We understand that some miscreant put soap on the rail of P. P. Griffin's log road one day last week and caused a good bit of trouble for the trainmen. Otherwise everything is going along fine.
